

LEBANON

PEOPLE TARGETED

1M

REQUIREMENTS (US\$)

\$371.4M

In support of the Government-led emergency response, the humanitarian community is extending the three-month Flash Appeal initially launched in October 2024, for further three months (from January to March 2025). The Flash Appeal extension will enable partners to rapidly deliver principled and effective humanitarian assistance and protection to up to 1 million people directly impacted by the recent escalation of hostilities and displacement. The Flash Appeal is fully complementary to, and supportive of, the Lebanon Response Plan (LRP) 2025, which remains the primary planning framework for the humanitarian and stabilization response, co-led with the Government.

**Strategic Objective 01**

Provide timely life-saving multi-sectoral assistance to people affected by the escalation of hostilities

**Strategic Objective 02**

Promote the protection of civilians and civilian infrastructure—grounded in international humanitarian and human rights law, norms and standards—and place communities at the centre of the response

**Strategic Objective 03**

Support the rapid delivery and resumption of essential services in areas affected by the escalation in hostilities
